

## Thanks for thinking of us!

Siouxland Libraries is grateful for donations. Gifts of materials must be in excellent condition and meet established guidelines. They may be added to our collection, donated to community partners, or sent to Thrift Books for resale.

### How to donate

If you are donating five items or fewer, take them to any Siouxland Libraries branch (see listing). Give the items to a staff member. We are unable to accept items that are outdated, in poor condition, or do not otherwise meet library needs.

Donations of more than five items are accepted only at the Downtown Library. Please bag or box the items. Call 367-8700 ahead of time if you are bringing multiple bags or boxes.
