Up to \$1,337,244 of CDBG-CV (COVID-19 response) funds will be provided to Inter-Lakes Community Action Partnership, Inc. (ICAP) for the acquisition and rehabilitation for the Children's Inn property in Sioux Falls, SD. Specifically, these funds will be used toward purchasing a portion of the non-congregate shelter, the Weatherization offices/warehouse, and a portion of the ICAP Housing staff's office space. The proposed Non-Congregate Shelter portion of the Children's Inn consumes approximately 70% of the entire building. ICAP's acquisition request for CDBG-CV funding is approximately 43% of the current building with the remainder of the request to be used for rehabilitation of the building. This project is contingent upon Accessible Housing Advisory Board (AHAB) approval.

Funding for the new allocation listed above is obtained from CDBG-CV funding provided to the City of Sioux Falls to "prevent, prepare for, and respond to the spread of COVID-19."

Persons wishing for additional information on the above projects or activities may contact the Housing Division office by calling 367-8180 or TTY at 367-7039 for communication assistance.
