IN-HOME DAYCARES

HOW DOES DAYCARE DELIVERY SERVICE WORK?

The in-home daycare must be registered with the City of Sioux Falls and operate within the city limits of Sioux Falls.

Each bin of materials contains picture books, board books, and movies for children ages 7 and under selected by a library staff member.

A volunteer from the library will deliver new materials to your home and pick up those to be returned to the library, once each month. This is a **free** service. If any materials are lost or damaged, a fee will be charged for those items.

HOW CAN I SIGN UP?

Call Siouxland Libraries Daycare Delivery Service at 605-367-8700 or complete the daycare delivery application and mail it back using the postmarked envelope.
